

## **Barrington Bicycle Club Membership Agreement and Waiver**

As a condition of membership in the Barrington Bicycle Club, I agree that:

- I will act as an ambassador of the Barrington Bicycle Club and the sport of bicycling
- I will respect traffic laws and operate my bicycle in a safe manner, including the Club's safe riding rules
- I will respect other users of the road
- I will speak up for the rights of bicyclists to equal use of the roads and equal protection under the law
- I will support efforts to improve bicycle facilities and access for all bicyclists

I understand that bicycling is an inherently dangerous activity that can result in serious injury or death. I also recognize that Barrington Bicycle Club activities may take place on public roads open to motor vehicle traffic and containing other hazards to bicyclists. Mindful of these risks, and in consideration of the privileges of Barrington Bicycle Club membership and the receipt of releases and waivers of other members, I release and waive any and all claims against the Barrington Bicycle Club, its officers, and its members for all damages incurred at or associated with any Barrington Bicycle Club activity for myself, my heirs, and my executors and assigns.
